

## Turning Topics into Research Questions

Take a look at these topic ideas and sample questions and then write a research question of your own on the same topic.

Topic	Sample Research Questions	Your Questions
Immunizations	Should parents keep their children from getting immunizations? What if a large number of parents in a state refused to immunize their children?	
Crime	What causes people to commit violent crimes? How should we effectively solve the problem of violent crime?	
Fake News	What audiences are likely to believe a fake news story? How does cultural background effect whether a person believes fake news? What persuasive strategies make fake news seem true?	
Influential People	What if Kennedy had not been assassinated? What if Abraham Lincoln had lost his election to be president?
