

Search Tracking Form

1. **Try your search terms in *EBSCO Explora***
 - Review your results. Note which search term combinations deliver the best results. Try varying your search by choosing Subject search. Did your results change?
2. **Next try your search terms in *Academic Search Premier*.**
 - Compare your results to those retrieved from the *Student Research Center*.
3. **Now try your search terms in *Google*.**
 - Again, review your results. Note which search term combinations deliver the best results in *Google*.
4. **Next try your search terms in another Internet search engine such as *Bing, Yahoo, or Wolfram Alpha*.**
 - Compare your results to those retrieved from *Google*.

	Source	Type of Search	Term Combination	Number of Results	Are the results useful?
