

## BookFlix Trainer Guide

2 Contact Hours (2 Ohio Approved Hours)

### Optional Training Activities

- Optional training activities are estimated to add 90 minutes to the original training time and include the minutes indicated for the original activity.

### Learning Objectives

Participants in the BookFlix class will achieve eight objectives:

- Understand the importance of using digital text, print, and other media in early learning curriculum.
- Find BookFlix on the INFOhio website: [www.infohio.org](http://www.infohio.org).
- Use the navigational tools to search and browse content to find the best titles for students and instruction.
- Find instructional supports available in the resource.
- Identify best practices for using BookFlix in the classroom.
- Consider methods for sharing BookFlix with parents.
- Create a lesson plan to integrate BookFlix into instruction.
- Reflect on learning by sharing information with others.

**In this course, participants will work through several lessons to learn how to access INFOhio's subscription to BookFlix, how to use the resource, and how to integrate it into classroom teaching. Below is a description of each lesson and the amount of time it should take for participants to complete each one.**

#### Optional Training Activity

- Ask participants to review the documents to share with parents. Participants can share ideas of how they can encourage parents to use BookFlix and read with their child at home. (15 minutes)

### Creating Lessons Using BookFlix

- **Lesson Content**

Review lesson plans featuring BookFlix created by teachers. Create your own using a lesson plan template. (30 minutes)

#### Optional Training Activities

- In the **Creating Lessons using BookFlix** lesson, review the sample lesson plans as a group. Point out the Best Practices in the lesson and ask participants to identify any other practices or activities they find that seem effective or have worked for them in the past. Ask them to evaluate the lessons based on their own classes, and to suggest ideas that might make the lessons better. Record these best practices and ideas to make the lessons better in a shared space, whether using an online resource like a Google doc or Padlet, or on a white board or chart paper. (15 minutes)
- Lesson Plan Template – Each participant should find another person whose teaching situation is similar to their own. Give each pair a copy of the **lesson plan template** found in the Exercise Files of this Trainer Guide and direct them to begin drafting a lesson using BookFlix. Begin by identifying the standards to address, and then find a BookFlix title pair(s) that fits in with a current theme in the classroom. Encourage the participants to consider the Best Practices, discussions, and the recently brainstormed ideas about the sample lessons to include in their lesson plan. If they have identified limitations to using technology in their classroom before, encourage them to find solutions and steps to move beyond these obstacles. (30 minutes)
- Find the *BookFlix Lesson Plans* question in the BookFlix Open Space group and post a description of it. (5 minutes)

### Checking Your Learning

#### Self-Assessments

- **Lesson Content**

Answer questions to reflect on what you learned. (15 minutes)

#### Optional Training Activity

- Direct participants to review their **KWL chart** and individually answer the **Self-Assessment** questions. Ask for volunteers to share their responses. (20 minutes)
- Reflect on the class by answering the *What Did You Learn from the BookFlix Class?* question in the BookFlix Open Space group. (5 minutes)

### Contact Hour Quiz and Certificate
